[Despatch Abstract.]

Schools - District Board, West Tanjore - Introduction of 'Hindi' in certain Secondary Schools - Orders passed.

On a further reference he declined to accord sanction on the ground that the needs of the educational institutions under the District Board had not been fully met with. The District Board after mature consideration, selected two schools, viz., Orathanad and Pattukottai where the conditions of G.O.No.4921, dated 29-11-35 are fully complied with and resolved in District Board Resolution No.V.12 dated 23-1-37 to introduce Hindi in those two schools, assuring to rectify the defects pointed out by educational authorities. Even now the District Educational Officer is adamant in refusing to accord sanction and has stated that the Board's money should not be spent on the introduction of HINDI and that a special fee should be charged from the pupils. I therefore request that Government may be pleased to accord sanction for the introduction of HINDI in the two Board High Schools subject to the conditions laid down in G.O.No.4921, dated 29-11-35.

Sir,

The District Board in its resolution No.XI.2 dated 27-5-36 resolved to introduce Hindi in the Board High Schools Orathanad and Papanasam and the District Educational Officer Tanjore was requested to accord sanction therefor. The District Educational Officer in reply first stated that he had no objection to the introduction of Hindi in the High Schools provided the pupils were willing to pay for it and no public funds are spent until a definite need was proved.
